2026 Webinars and Workshops for
Oregon Child Care Providers

| Date & Time (PST) | Workshop Title & Overview |
|--|--|
| <p>February 19, 2026 12:00 - 1:00pm</p> <p><i>In partnership with Native Mama Scholars</i></p> | <p>From Vision to Practice: Building and Sustaining Tribal-Owned Early Learning Spaces - This webinar centers on the creation, governance, and long-term sustainability of Tribal and Indigenous-owned child care and early learning programs. It emphasizes how Tribes and Indigenous organizations translate cultural values, community vision, and sovereignty into operational systems that work within—and beyond—state and federal frameworks.</p> |
| <p>February 25, 2026 1:00 - 2:00pm</p> <p><i>In partnership with Wealth & Worth Within</i></p> | <p>Know Your Numbers: Building Financial Confidence for Business Owners – This interactive webinar will focus on how to review and analyze monthly and annual financial data, identify strengths and challenges, and use those insights to inform budgeting decisions and growth planning for 2026. Participants will gain practical tools to better understand what their numbers are telling them and apply that knowledge to build more resilient, sustainable businesses.</p> |
| <p>March 19, 2026 6:30 - 8:00pm</p> <p><i>In partnership with First Children's Finance</i></p> | <p>Your CCIF Roadmap for Success – This webinar designed for CCIF recipients will help you navigate your CCIF contract and set your project up for success. Participants will learn what to expect in their CCIF contract, understand compliance and reporting requirements, and gain guidance on managing your budget and project timelines.</p> |
| <p>April 7, 2026 12:00 - 1:00pm</p> <p><i>In partnership with NAMC-Oregon</i></p> | <p>Effective Project Management for Your CCIF Project –This webinar will provide CCIF recipients with management tips for your infrastructure project, from planning to completion. Participants will learn strategies for managing contractors, as well as tracking timelines and budgets. This session provides practical, construction-informed tools to keep projects on track and deliver safe, functional spaces for families.</p> |

| <p>April 29, 2026</p> <p>12:00 - 1:00pm</p> <p><i>In partnership with Rational Unicorn Legal Services</i></p> | <p>Contract Essentials for Child Care Providers: Understanding Your Legal Obligations – Join us for a practical session on the essentials of contracts and legal agreements commonly encountered by child care providers and centers. This workshop will cover key contract concepts relevant to day-to-day operations and special projects alike, including agreements with contractors, vendors, consultants, landlords, and service partners. Participants will learn how to identify core contract components, understand legal obligations, and apply clear, actionable strategies to navigate risk with confidence in child care operations.</p> |
| <p>May 19, 2026</p> <p>12:00 - 1:00pm</p> <p><i>In partnership with Vibrant Future</i></p> | <p>Capital Planning and Debt Management – Join this session designed for child care business owners looking to strengthen financial readiness and access capital. Participants will learn core financial principles, debt management strategies, and how to plan for funding needs beyond grants. The workshop will also highlight common funding gaps, types of lenders, and resources available to support sustainable growth.</p> |
| <p>June 30, 2026</p> <p>12:00 - 1:00pm</p> <p><i>In partnership with Native Mama Scholars and SPARK</i></p> | <p>Our Children, Our Measures: Exploring Quality and Success in Indigenous Early Education - This webinar invites participants to critically examine how “quality” and “success” is measured in early childhood systems—and how Tribal and Indigenous communities can reclaim, redefine, and operationalize success on their own terms. The webinar centers Indigenous indicators of well-being, learning, and belonging in child care and educational environments.</p> |
| <p>July 21, 2026</p> <p>12:00 - 1:00pm</p> <p><i>In partnership with Proper Strategy</i></p> | <p>Crafting Your Child Care Marketing Plan – Join us for a highly interactive webinar designed for child care providers, focusing on implementing practical and scalable marketing strategies needed to reach your community. Participants will actively engage throughout the session with effective tools you can walk away with and apply right away.</p> |
